

Welcome to the official guide for the The London Home Fragrance Show Event App.
Scan to get started!

Install Event App / How to access the App

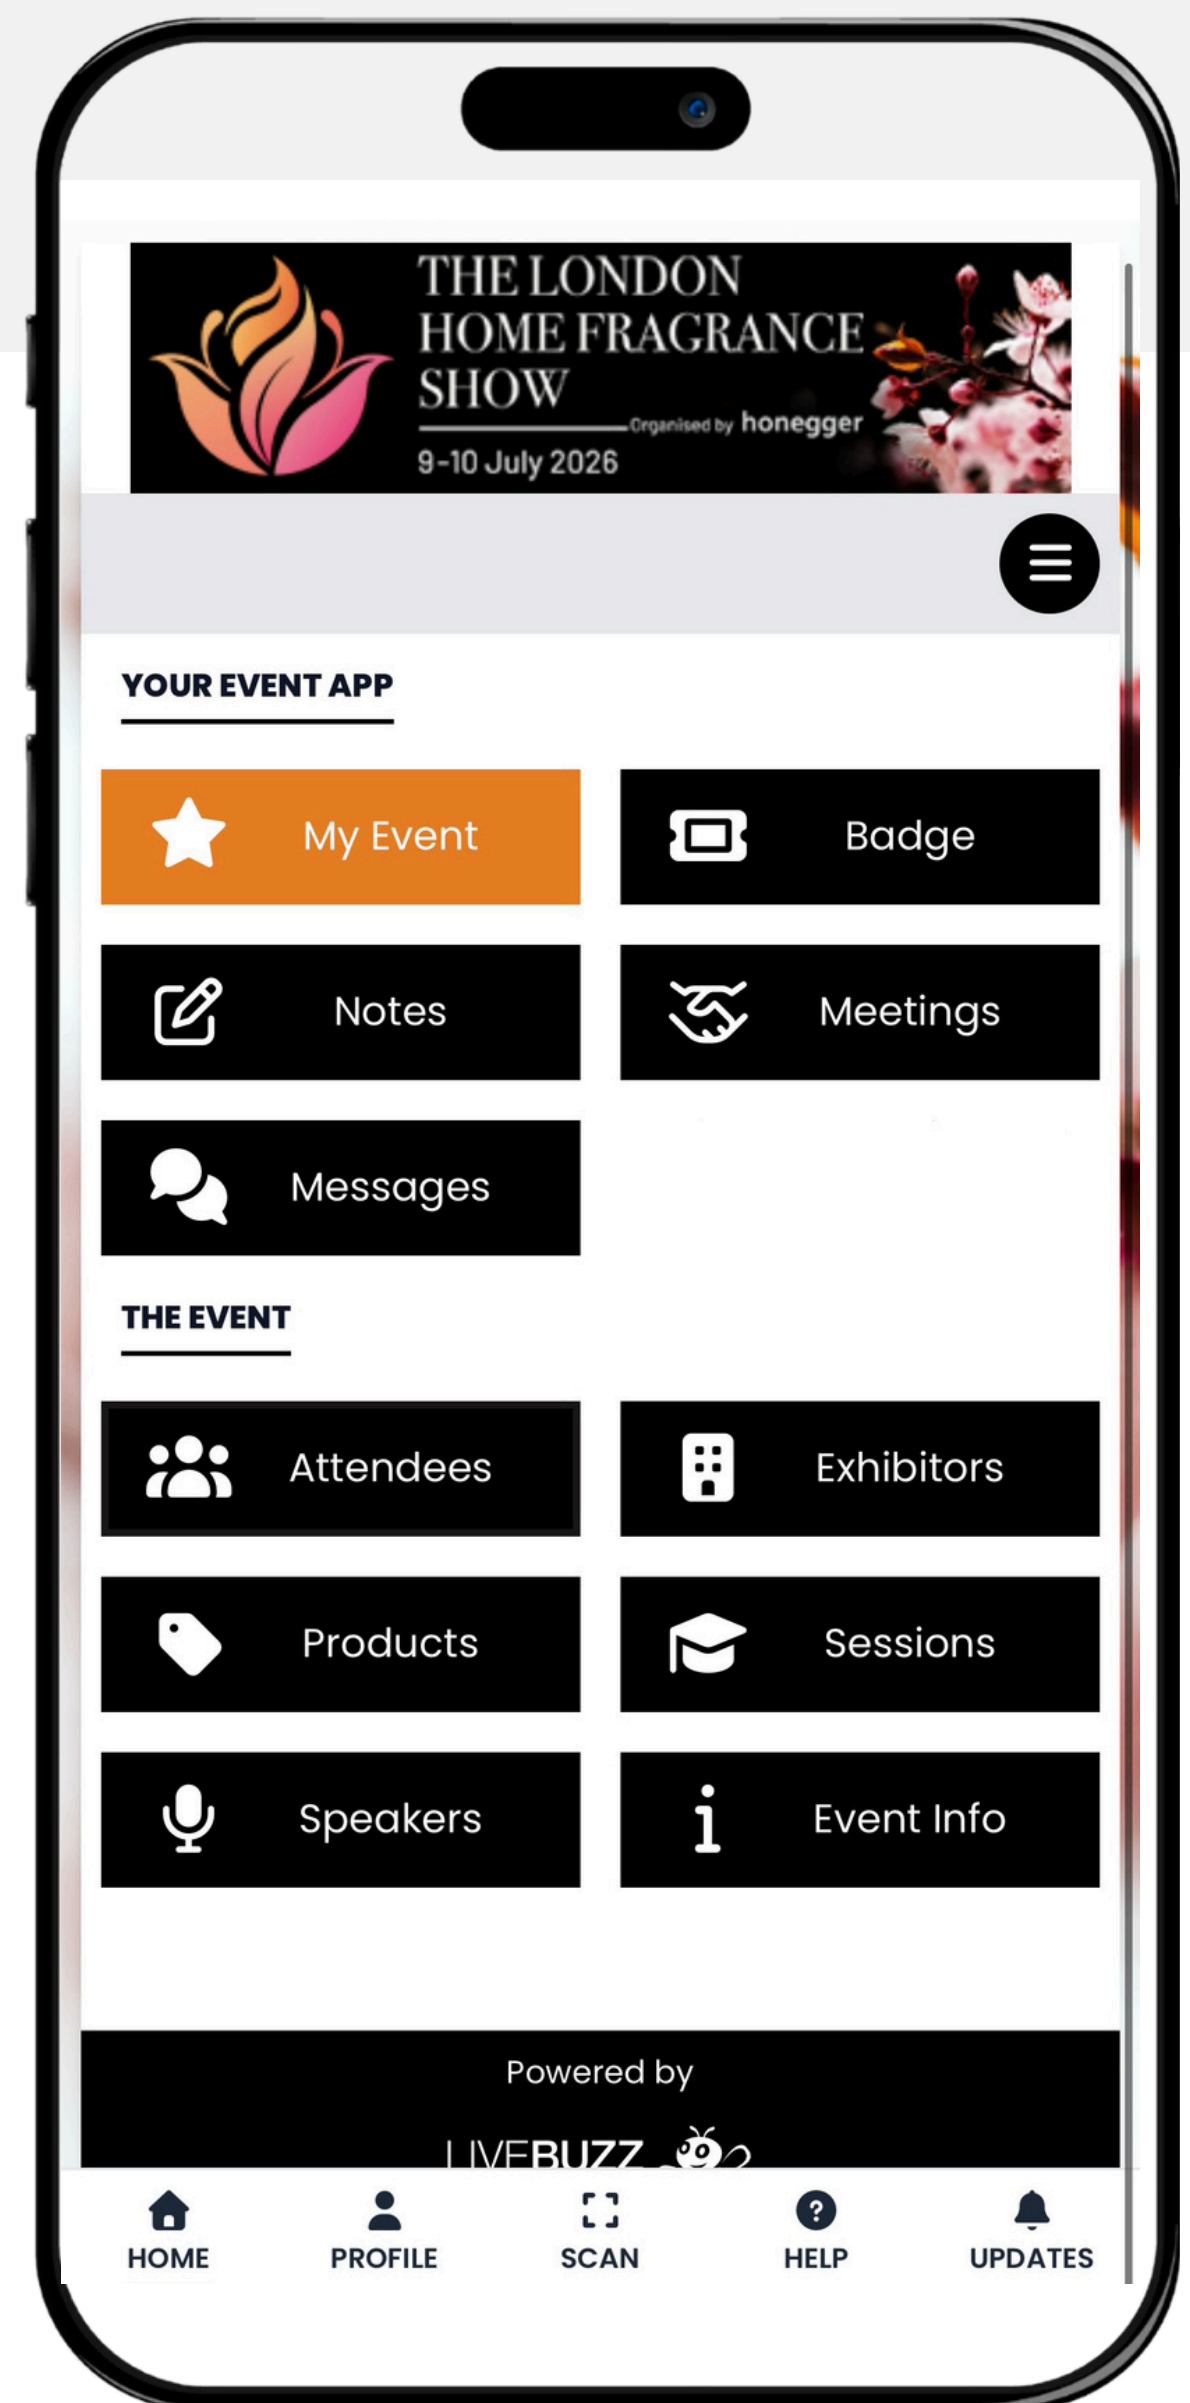

To get the most out of your day install the The London Home Fragrance Show Event App, you can view all the details about the show and the Sponsors, Exhibitors and Partners.

You'll be able to see the **agenda** and **favourite sessions** to make the most of your visit to Business Design Centre on 9th July – 10th July.

You can also arrange meetings, see Speaker details, and access any information and FAQs you need.

Click [here](#) or scan the **QR code** above on your mobile to login to the The London Home Fragrance Show Event App with your registered mobile number!

If you registered with a different number, please enter the email address you used to register for The London Home Fragrance Show to log into the Event App.

More Features at your fingertips
